Week 3&4 – Take a  
Virtual Field Trip!

The following link has Virtual Tours of Museums around the world. Choose one museum and tour throughout it and choose five works of art that you like. In your sketchbook, describe the five works of art and include the title and description of the work, and then draw a quick sketch of all five works of art. The art work you like may be two dimensional or three dimensional. Work with graphite in your sketchbook but adding color would be extra credit. Post a photo of your completed pages on April 8<sup>th</sup>.
