Advanced Placement US History II

Summer Work – APUSH Review US I – Periods 1 – 5

Welcome to AP US History II! Our goal is to prepare for and *ace* the AP US History Exam. We have over 400 years of history to cover and review next year. In addition, we will be learning how to write DBQ's and LE's as well as strategies for answering multiple choice and short answer questions. Therefore, it is crucial that we begin preparing during the summer by reviewing USI.

Your assignment is as follows:

Watch the following videos from APUSH Review.com -- <http://www.apushreview.com/>

Period 1 (1.1 & 1.2) -- <http://www.apushreview.com/new-ap-curriculum/period-1-1491-1607/>

Period 2 – (2.1 & 2.2) -- <http://www.apushreview.com/new-ap-curriculum/period-2-1607-1754/>

Period 3 – (3.1, 3.2&3.3) -- <http://www.apushreview.com/new-ap-curriculum/period-3-1754-1800/>

Period 4 – (4.1&4.2) -- <http://www.apushreview.com/new-ap-curriculum/period-3-1754-1800/>

Period 5 – (5.1,5.2&5.3) -- <http://www.apushreview.com/new-ap-curriculum/period-3-1754-1800/>

Thoroughly complete the review packets that correspond to each time period. Each video is between 5 and 15 minutes. You should be able to obtain all of the information you need for the packets from the videos. If you did not receive a packet or you would like another one, it can be downloaded and printed from the APUSHreview.com website. There is a section that says “Review Sheets.” Please email me if there are any questions or concerns.

If you do not have access to technology, all information can be found in your textbook, United States History, Preparing for the Advanced Placement Exam aka “the blue book.”

The total run time of all of the videos combined is about one hour and forty minutes. The assignment in total should take no longer than 4 hours which includes watching the videos. The due date for this assignment is *Friday, September 13, 2019*.

Completing work early or breaking it up into small tasks at a time gives you freedom for the summer ☺.

HAVE A GREAT SUMMER! Please contact me if you have any concerns or need help. tbain@rpsd.org.
