

Mr. Prokop's Home Instruction Work

Week of April 6th – 8th

World History

- Students are to continue and finish the notes on the topic “Expansion Exploration and Encounters Part III.” Most students have pictures of the notes on their devices. For those that don't, the notes will be on Genesis. This assignment will be checked in class when normal school days resume.

U.S. History II

- Students are to continue and finish the notes on “Chapter 25 The United States in WWII.” This assignment will be checked in class when normal school days resume. Most students have pictures of the notes on their devices. For those that don't, the notes will be on Genesis. This assignment will be checked in class when normal school days resume.
